WHAT IS OASFAA?

OASFAA — Ohio Association of Student Financial Aid Administrators is a non-profit, professional organization dedicated to the training and networking of individuals who actively engage in the administration of financial aid for individuals pursuing higher education.

As an education organization, OASFAA strives to offer resources to students, families, and high school advisers from all demographics by promoting access to higher education and increasing awareness of financial aid opportunities.

One example of OASFAA's dedication to its mission is College Goal Sunday. This statewide, one day event assists over 2100 students and families in completing the Federal Application For Financial Aid. This annual initiative is supported by over 400 OASFAA members who volunteer their time to assist these families.

OASFAA, an affiliate of both the Midwest Association of Student Financial Aid Administrators and the National Association of Student Financial Aid Administrators, strives to work collaboratively with other professional organizations that support students pursuing a post-secondary education. These organizations include the Ohio College Access Network (OCAN) and the Ohio Association of College Admissions Counselors (OACAC). These affiliations and partnerships provide a broad network of resources for our members and the families we serve. They also ensure that your voice is represented at regional, state and federal levels.

BENEFITS OF MEMBERSHIP

The organization represents over 800 members from nearly 200 institutions within the State of Ohio and serves a diverse group of practitioners. Your annual membership provides you with access to all the educational and professional development resources that are available.

By joining OASFAA you have the opportunity to build connections with representatives from other institutions across the state and share experiences and challenges, while still helping the students you work with everyday. The experiences you will have will allow you to develop new insights that you can bring back to your institution and students.

In addition, OASFAA will provide you access to the "Members Only" section of the Association website. There you will find conference presentations and additional resources, announcements, access to the *OASFAA List serve** and Membership Directory, and much more!

**The list serve is an electronic email forum of Ohio financial aid professionals used to pose questions, share information, and seek out ideas, advice and support.*

MORE BENEFITS OF MEMBERSHIP

OASFAA members may participate in numerous training opportunities, specialized workshops, two statewide conferences, and localized regional meetings, which are offered throughout the year.
